Skills

Some computer science and engineering skills like coding in languages such as HTML and CSS, as well as some basic Python. Skills in ice hockey, mathematics, and english.

Education

Dublin High School / Student

August 2019 - Present, Dublin, CA

Currently in my sophomore year of high school here at Dublin High. So far maintained a 4.0 GPA in my freshman year, and a 4.3 GPA in my sophomore year

Eleanor Murray Fallon Middle School / 8th Grade Diploma

August 2016 - June 2019, Dublin, CA

All three of my years in middle school were spent here. Graduated on the honor roll with an overall GPA of 3.7.

Volunteer and Work Experience

East Bay SPCA / Volunteer

June 2018 - PRESENT, Dublin, CA

Volunteering at the East Bay SPCA semi-frequently, mainly socializing the cats, but sometimes feeding them or clean up their habitats to make them more likely to be adopted.

Adobe / Data Entry 'Helper'

June 2016 - July 2016, Dublin, CA

Helping my mom out with things like simple data entry whenever she needs it. Seeing that she is a freelancer, this can be for a variety of companies, but the most prominent is Adobe.

Awards and Objective

- A few awards in hockey, as my team frequently attends and wins tournaments.
- Achieved Principal's Honor Roll in all 3 of my semesters at Dublin High school
- Looking to go further into computer science and cybersecurity
